

Re: Choice Plus LLC Customer Service Survey

Choice Plus has proved outstanding in customer service, and communication. I have been through four different attorneys in the past ten years, all of whom have failed to collect on my judgments. Had it not been for Gale Reid, I most certainly would not have agreed to commit to Choice Plus, or any other entity, but would have let it all go.

Gale has been kind, and understanding. She has made arrangements, that were out of the ordinary, to assist me. I truly appreciate all Gale has done, as well as the whole team, and what a wonderful team you have made.

Yours sincerely,
