

CHOICE PLUS LLC CUSTOMER SURVEY

Customer Service: Outstanding Average Needs Improvement

Communication: Outstanding Average Needs Improvement

Comments: Dealing with Choice Plus and Gale Reid has
been a pleasure, from the first phone call informing
me of funds I didn't even know existed, to the
many calls from Gale as things progressed, down
to the final calls 8 months later that the funds
had been secured. My questions were always
promptly answered and any mailings from Choice
Plus always spelled out exactly what steps
needed to be taken. I'd be happy to be used
as a reference for this company!
