Dear Mr. Hotz:

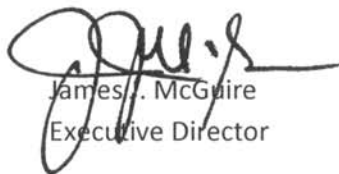

The Ann Storck Center expresses its appreciation to you and your staff for your relentless pursuit of the Pediatric Care Center asset, which has since been converted to over \$54,000 in compensation for this organization. As you know, the Ann Storck Center is a nonprofit community service. A gift, such as the one that you were able to provide for us has made a meaningful difference in our ability to fulfill the mission of this organization.

My congratulations to you and your staff for your tenacity in resolving issue after issue until the payment was finally made available. I offer you the highest recommendation for your professional demeanor and, most importantly, for delivering the goods.

Thank you for assisting us in recovering this asset. As you know, the Ann Storck Center succeeded the Pediatric Care Center's mission. Therefore, it was a delayed justice to have this asset transferred to the Ann Storck Center some 28 years after the creation of the Ann Storck Center to succeed the Pediatric Care Center.

Best wishes for a great holiday. You certainly helped to make ours such.

Sincerely,

James J. McGuire
Executive Director
