To whom it may concern,

This Florida law firm routinely provides legal services to Choice Plus LLC, a Florida-licensed investigative agency who specializes in securing the release of dormant assets held by government and private fiduciaries. I want to assure you that Choice Plus is a legitimate and professional company with a proven track record of achieving results.

Choice Plus pays our office for services at an hourly rate, plus filing fees and costs. We do not bill the clients of Choice Plus for services rendered on their behalf. Our law firm and its associates have no stake or ownership interest in Choice Plus.

If you have any questions regarding Choice Plus, you may contact me at my office at the number above or on my cell phone at (305) 300-2025. Please contact Choice Plus directly with questions regarding the specific assets which should to be distributed to you.

Very truly yours,
