Re: Recommendation of Choice Plus Services

To whom it may concern,

This is a letter of recommendation for Choice Plus LLC, a registered claimant's representative company that helps return unclaimed property to its proper owners. This is not a solicitation for the services of my firm.

I have worked with Choice Plus as a client of my law firm, Parker, Hudson, Rainer & Dobbs LLP. Choice Plus pays my firm on an hourly basis for assistance that we provide to help recover unclaimed property. Neither I nor my firm has any financial interest in Choice Plus, directly or indirectly.

Choice Plus is a recognized, reputable claims representative company, with a great deal of experience assisting in the location and recovery of unclaimed property. In my experience, Choice Plus has always maintained high professional and ethical standards, and has worked in the best interest of its clients. If you have any questions regarding Choice Plus LLC, you may contact me at (850) 681-0191.

Sincerely,

Seann M. Frazier
